*“It is with a strong sense of satisfaction that I write this Foreword to the proceedings of the British Ports Association Annual Conference to be held in Stornoway from 29th September 2015 until 2nd October 2015. The British Ports Association has a long tradition of bringing together representatives from the Ports Industry and associated businesses giving all participants the opportunity to renew old and forge new friendships among colleagues from throughout the United Kingdom.*

*In this the 150th Anniversary Year, Stornoway Port Authority is particularly pleased to host the 2015 Annual Conference and extends a warm welcome to delegates and their partners to Stornoway, the principal port in the Scottish Western Isles. These Islands have a unique heritage and culture and we are confident that our guests will not be disappointed with their Island venue.
